

MONTH NINE – BLOCK 33 - OCTOBER

This block is a filler block and is 4" x 8" rectangle finished.

Fabric requirements for this block

I chose to use four fabrics I liked which fitted in with the colours I had chosen for the surrounding blocks, just as I did in block three

They were citrus, red print, pale green and purple floral

**Cutting**

- Cut one 2½" x 4½" rectangle from each of the four fabrics you have chosen

Construction

- Join the rectangles of fabric together along the long side as shown in the photo

The block is now complete and will measure 4½" x 8½" and will be 4" x 8" finished
